Robert Neill To Marry; Big Out Of Town Wedding Party

Robert Neill is going to be married. Here it is in black and white. His bride is going to be a San Angelo girl. The San Angelo Standard says:

"A number of young matrons and intimate girl friends were invited by Miss Lucille March to play 'hearts' Saturday afternoon at 4 o'clock. When all the guests had assembled a telegram arrived and contained the very interesting announcement of the engagement of Miss Lela March to Robert Neill of El Paso, Texas, the wedding to take place on December 14. This announcement came as a happy surprise to the assembled friends of the fair bride to be, who is one of the most charming girls of one of the most prominent families in business, social and religious circles of the Concho country. Members of the family have been identified with every educational, progressive and high social matter in the city for many years."

After the felicitations were expressed in the happiest manner, the game of "hearts" occupied the attention of the assembled company, the prize for the high score being a pair of silk hose. Beautifully served refreshments of chicken salad, olives, sandwiches, wafers, cheese sticks and coffee were enjoyed by about two score and 10 friends of the honoree.

The bride elect is the daughter of Dr. and Mrs. John Ab March.

Coming from three states and two republics, the wedding party which has gathered in El Paso for the marriage of Miss Myrtle Newbrough of Chihuahua to J. K. Griffith of Douglas, has assumed an international aspect. Miss Newbrough, accompanied by a party of her friends, among the society folks of the American colony in Chihuahua, arrived on the National Railways train Tuesday morning. Mr. Griffith also came over from Douglas for the wedding, which occurred Wednesday afternoon in the parlors of the Orndorff. A party of the bride's friends from her old home in Cleburne, Texas, is also here for the ceremony, and will remain for the wedding dinner, which is to be served at the hotel Wednesday evening.

Miss Newbrough, the bride to be, is the daughter of Rev. J. W. Newbrough, in charge of all the Baptist missions in Chihuahua. Mr. Griffith is agent for the Texas company at Douglas, and is a graduate of Baylor university at Waco, Texas. Miss Newbrough was accompanied from Chihuahua by Misses Mary Jones, Dolly Lane, Nellie Dickerson, Florence Shearer, Beatrice Dale and her brother, John Newbrough. From Cleburne came Mrs. S. L. J. Brown, Miss Ollie Lou Brown and Mrs. J. A. Shackelford, all friends of the bride's family.

After the wedding service Wednesday evening and the dinner which is to follow, the bride and groom will leave for Douglas on the evening train.

With the wedding of Miss Virginia Finton of Carrizozo, N. M., to Charles G. Scholz, circulation manager of the Sacramento (Cal.) Bee, which will occur soon in the California city, will culminate a romance extending over several years.

Back in Chicago, when Mr. Scholz was connected with the Chicago Record-Herald, his stenographer left him, but in her stead her sister, Miss Virginia Finton, well known in El Paso, came to take her place. She won not only the esteem of her employer, but little Cupid with his bow got busy and a love match was struck. Then the young woman went to Carrizozo to spend the winter months. That was two years ago. Mr. Scholz followed, but he continued his journey to the California city, where he became associated with the Bee.

Bees were in his line and he kept buzzing with letters and there were an equal number which returned to him from Carrizozo.

The bride is well known in El Paso, having visited here frequently from Carrizozo, and having been the guest at several functions in her honor, both here and in the smart set of Carrizozo.

bell and is well known in El Paso. The groom is a native of Maryland, and has lived in El Paso for two years, prior to July of this year, when he purchased the plant of the Reeves County Telephone company at Pecos, Texas, and is at present general manager and treasurer of the company. Mr. and Mrs. Galtner will make their future home in Pecos.

As Thanksgiving draws near and thoughts turn to family gatherings, the good dinners and plans of entertainment for friends, there comes the opportunity to do for the homeless and friendless. The charity ball coming on Thanksgiving eve gives this opportunity to do for others.

For years El Pasoans have united in giving, that the proceeds from the ball may be used for the poor. This is the only time during the year that a general appeal is made to the public by the Woman's charity. The public has always responded most generously and the women of the association trust that this year will be no exception. The Woman's charity depends on the proceeds of this ball for the continuance of its work through the year. This work is carried on most economically. Very needy cases are given temporary relief, and then investigated.

The Charity aims to help people to help themselves. At present there is great need of help. The promoters ask all to remember that in giving to the ball it is twofold, as patrons are giving to those who are worthy and needy, yet enjoying a most delightful social affair.
